(pursuant to MRSA 29A §1301 subsection 11 and § 1401 subsection 1)

Instructions to the Driver's License/ID Card Applicant.

Maine law requires a person be physically residing in Maine to be eligible for a Maine driver's license or identification card. Residence in Maine may be proven by documents such as tax returns, paystubs, utility bills or a letter from a utility company showing application for service, leases, mortgage agreements and other objective documents that show your full legal name together with a physical residential address here in Maine. The Bureau of Motor Vehicles understands that some individuals, for a variety of reasons, may not have any of the suggested documents to prove that they are living in Maine at the time of application for a Maine driver's license or identification card. If this applies to you, you may prove that you are living in Maine by providing sworn statements (affidavits) from two (2) individuals who are at least 18 years of age, and who have personal knowledge that you are living in Maine. Statements may be from employers, landlords, clergy, neighbors, school teachers, co-workers, or any other individual who has personal knowledge of you and knows that you are currently living in Maine.

* If the applicant is a minor, only one (1) affidavit is required if it is signed by the applicant's parent or guardian.

HOW TO USE THIS AFFIDAVIT FORM

1. Complete the top portion of the affidavit that applies to you (the "Applicant").
2. Give this form to a person who is at least 18 years of age, and who has personal knowledge that you currently live in Maine. (**Note that your driver's license/ID application cannot be processed unless you have two (2) affidavits completed by two (2) different individuals attesting that you live in Maine.*)
3. Ask the person to whom you are giving this form to read the instructions below, fill out the form completely, and return it to you when finished.
4. Ensure the person who filled out the form did so completely. (*Note that your driver's license/ID application cannot be processed if any required information on the form is missing.*)
5. Return to the Bureau of Motor Vehicles office with the two (2) affidavits to apply for your Maine driver's license or identification card.

Instructions to Persons Preparing the Affidavit of Residence in Maine

The individual providing you this form is applying for a Maine driver's license and/or ID card and needs your help to show that s/he is living in Maine. The Bureau of Motor Vehicles allows certain driver's license/identification card applicants to prove that they live in Maine through sworn statements by individuals who have personal knowledge of the applicant. *Please note that all required fields on the form on the reverse side of this page must be filled out or the applicant will not be able to apply for a license or identification card. Also note that the Bureau of Motor Vehicles may contact you to verify the information you provide in the form. Knowingly providing false information is a Class D crime.*
